Nodyn | Note

The Aberystwyth Corn and General Market Co. was established in 1870, mainly to build a market hall. The Hall was built in the early 1870s. Its condition deteriorated so rapidly, however, that a new hall had to be built in the mid 1890s. In 1922, the company went into voluntary liquidation, with George Fossett Roberts acting as liquidator.

Natur a chynnwys | Scope and content

Papers of the Aberystwyth Corn and General Market Co. covering the whole period of its existence, 1870-1922, including papers relating to the construction of the two market halls. The archive includes

minute books; company registers; financial records; deeds and documents; correspondence (mainly relating to the Company's liquidation); and inventories.
