## Gwybodaeth grynodeb | Summary information

---

**Lleoliad | Repository:**

**Teitl | Title:** D C Harries Collection : Military Portraits

**Virtua system control number [alternative]:** vtls006307433

**Dyddiad | Date:** [c1914-c1918] (dyddiad creu | date of creation)

**Disgrifiad ffisegol | Physical description:** 200 glass negatives : b&w ; 165 x 120 mm or smaller.

**Dyddiadau creu, golygu a dileu | Dates of creation, revision and deletion:**

**Nodyn | Note [generalNote]:**

D C Harries operated photographic studios in Llandeilo and Ammanford (Rhydaman) so these are thought to be portraits of recruits and conscripts from these areas.

**Nodyn | Note [generalNote]:**

Although dates from c1914-c1918 are given for most of the photos some can be more accurately dated by the presence of a) Overseas Service Chevrons worn on the right forearm which were introduced in December 1917, and ceased being worn in 1922. b) Wound Stripes which were introduced in July 1916 and also discontinued in Nov 1922.

**Nodyn | Note [generalNote]:**

Note that spellings used ( eg Welsh Regiment, Royal Welsh Fusiliers) are those correct at the time these photos were taken, not the later versions.

## Natur a chynnwys | Scope and content

---

Two hundred portraits, mostly studio, of First World War era British Soldiers. Most are individual portraits, some are in small groups with family or friends, also large group photographs. They are all (except one) anonymous but some can be dated approximately by the presence of overseas service chevrons, good conduct stripes etc.
