Natur a chynnwys | Scope and content

A volume, [1805] (watermark 1800), in the hand of 'J.W.L.' [possibly Sir James Winter Lake, bart], containing an outline of Robert Southey's poem 'Madoc'.

The outline consists of a prose summary of the contents of parts one (ff. 7-111) and two (ff. 113-218) of the poem, as first published in Robert Southey, *Madoc*, 2 vols (London, 1805), with numerous quotations from the text throughout. A list of characters (ff. 4-5) and closing notes (ff. 218-219) are based on Southey's Preface. Also included are some of Southey's notes on Bards from the appendix to Vol. 1 (ff. 66-68); a description of the beaver from Thomas Pennant, *History of Quadrupeds*, 2 vols (London: B. White, Fleet Street, 1781, ESTC T113535), pp. 383-387 (ff. 71-76); several ink and watercolour drawings (ff. 2 verso, 5, 6, 7, 70 verso, 75 verso, 112, 113, 219), some based on plates in the printed work; and four prints which have been pasted into the volume (ff. 3 recto-verso, 6 verso, 85 verso). The volume was written to commemorate 'the departure of an affectionate son to Prince of Wales's Island [now Penang,

Malaysia] in the East Indies on Sat[urda]y April 20 1805' (see f. 3); the new chaplain assigned to Penang in 1805 was the Rev. Atwill Lake, son of Sir James Winter Lake, Edmonton, Middlesex.
